01

Munger, Bihar

This impressive dining cum drawing room made up by teal color on wall and a matched beautiful wallpaper on another wall. But a different color on opposite wall highlighted the shiny laminated TV unit cum storage. The designing false ceiling in this room throughout the entrance corridor definitely eye-catching whoever comes in.

02

Howrah, West Bengal

Terracotta is a natural material which has been used in interior designs for centuries. The word terracotta translates into "baked earth" which is fired clay that has been turned into earthenware. In this project addition of this color palette to every space, enhanced even the coldest of color things, further more it was important to keep this strength fashion contemporary by combining it with elements such as botanicals and bold prints.

03

Kolkata, West Bengal

CREPUSCULE - We named this because the room gives the mixture vibes of light and darkness. CREPUSCULE, it's the synonyms of twilight. Our client want this room as not much brighten but also gives the touch of light. We made this room not brighten but looks beautiful with afternoon rays as well as moonlight.

04

Kanthi, West Bengal

This room surely impress you when you look at the false ceiling of this bedroom. Client requirement of this room a different lighting. We put the light in false ceiling in shape of geometric design. The grey color false ceiling with this lighting, marble color tiles and light brown laminate furniture reminding the uniqueness of this room.

05

Kolkata, West Bengal

The instantly noticeable fact about this drawing room is that it has a clear view of the nature by the open glass window. The design is straightforward and contemporary with less furniture, stone floor and off white color more enhancing by little blocked sun ray by the window.

06

Kolkata, West Bengal

The mid-century modern style of interior design was popularized during the 1940s, and has yet to leave the mainstream gaze for good reason. Defined by clean lines, organic forms, minimal ornamentation, and high functionality, the style has an undeniably timeless appeal. The client was looking for some modern design with a touch of simplicity, which brought us to opt for this design style.

07

Digha, West Bengal

REFLECTER - Shiny weather in Digha as well as in your room. Client need a much bright drawing room. We make white color wall, furniture, false ceiling and some dark touch on some areas for highlighted. Here sun rays reflecting on glossy tiles spread out all over wall pushing room into very brighter part.

08

Patna, Bihar

A bedroom is a nice place to be surrounded by softer color powdery shades makes our mind feel relaxed. Here a beautiful creeper leaves texture of behind the bed wall and shade colored furniture with very simple white paneled light false ceiling creating and bind up the peaceful environment.

09

Digha, West Bengal

Tuscan interiors feature a rustic, sunbaked look characterized by crumbling stone patios, simple and sturdy furnishings with elegant iron accents, textured wall finishes, elegant, detailed murals and trompe l'oeil designs. Our client was looking for a rustic design for his guest house at Digha, so we included heavy dark wood pieces, stone elements, Warm color scheme, gold, yellow, stripes pattern, bare windows, pottery.

10

Kolkata, West Bengal

DAZZLING DINING - This drawing and dining cum kitchen paint by bright white. Here all chairs are customized according to client. Here we add a vertical pattern of charcoal through entire room on false ceiling. Beautiful wooden laminated TV unit, paneling light on false ceiling and very shinny floor makes it dazzle.

11

Kolkata, West Bengal

Shiny marble finish tiles and matte colored all furniture, it's the combination of white and imperial green. We put here one wardrobe cum dressing table and a paneling wardrobe of course reminding the space management. A beautiful vertical pattern besides the window and this moderate false ceiling with profile light enhancing more.

12

Kolkata, West Bengal

SHINING OCEAN - Color of the room is off white with shining marble floor. We used the ocean blue color laminate which is glossy on wardrobe and matte on bed and headrest. The profile light on entire false ceiling and diamond cross texture on wall enhancing the beauty of this simple 10'x12' room.

13

Kolkata, West Bengal

THE FOCUS ROOM - This room is for kids. The table and upper bookshelf are made by ply and wooden color laminate. Chair is fully customized for kids. Here we used a combination of teal color on wall, white on ceiling border and the simple false ceiling work for not much highlighted but gives cool looks for focus on study.

14

Jaipur, Rajasthan

OASIS - This interior of a bar is made by wood and also wooden laminate that can avoid excessive sun exposure and heat of Rajasthan. It can give our eye relaxation just like shadow of wood or tree in desert. We name it Oasis.

15

Kanthi, West Bengal

This is an electronic shop where all showcase, upper cabinet and also lower cabinet are specially customized for all electronic accessories and appliances one by one as per client requirements. Here fully laminated tables for show up mobiles, tab etc, managed space for access these by all customers and spot light for highlighted all these accessories make the shop attractive.
